Do We Have Your Email Address?

We obviously have yours because you are reading this newsletter, but every time we mail out newsletters to members who aren't on our email list we know that many probably have email. Please spread the word that we will send the electronic newsletter to anyone who contacts us at info@bucklake.ca and asks to be added to the list. By using electronic newsletters we have been able to communicate on a monthly basis and save a lot of time and expense.
