"To enhance people's enjoyment of Buck Lake now and for future generations"

Buck Lake News – 2014 June

Meet the Board:

My name is Maureen McLellan and I've been a member of the BLA executive for 3 years. My husband Gord and I live outside of Harrowsmith and have owned a cottage on Buck Lake (Porcupine Island) since 1996.

We are originally from the Arnprior area and came to Kingston where we attended Queen's.

We are both retired teachers, having spent most of our careers with the Limestone District School Board. Gord worked at the Secondary level and I was an Elementary teacher, having begun my career in Burlington before getting a job in Kingston.

We have 2 children, Curtis and Ashleigh and 2 young grandsons.

We enjoy spending as much time at the lake as we can and are very lucky to be within easy commuting distance!

Many happy hours are spent kayaking, boating, and socializing with friends and neighbours and of course, working at various jobs at the cottage.

It has been my pleasure to meet and work with some very dedicated people on the BLA Executive and I encourage others to get involved!

Your lake association's ability to continue to provide you with lake studies of various types and social engagements depends on membership. If you are not sure when your membership expires, please email me and I will let you know. [Grayden McClurg](#)

What are symptoms and signs of Lyme disease?

Deer ticks carry Lyme disease. Lyme disease affects different areas of the body in varying degrees as it progresses. The site where the tick bites the body is where the bacteria enter through the skin. Days to weeks later, as the bacteria spread in the skin away from the initial tick bite, the infection causes an expanding reddish rash that is often associated with "flu-like" symptoms. Later, it can produce abnormalities in the joints, heart, and nervous system.

Get medical treatment quickly to minimize the effect.

OPP Release Alarming Boating Accident Stats:

By [Emily Santos](#)

May 17, 2014

Ontario Provincial Police have released alarming boating accident statistics.

According to officers, of the 23 boaters who died in OPP investigated marine incidents last year, 20 of them were not wearing personal flotation devices. This has been the trend for the past five years with eight out of ten victims who died in

boating incidents between 2009 and 2013 being found with no life jacket (or wearing them incorrectly).

Friends of the Lake:

Natural Poison Ivy Spray

Submitted by Barbara Rose Perry

1 cup of salt

8 drops of dish detergent

1 gallon of vinegar

Dissolve the salt in the vinegar either by warming it or just by stirring it in. Then add the dish detergent.

Put the liquid in a spray bottle and apply to the ivy. It will kill other vegetation in the area as well so watch what you are spraying.

We had a problem area down on the waterfront and of course did not want to use any dangerous chemicals. Our new and wonderful neighbours Greg and Kelly had a natural recipe to combat poison ivy and I found it worked amazingly well. I have since misplaced their recipe but this one that I found on line looks almost the same. Overnight you see a difference in the plants and before long they are dark and dying!!

A hand held spray bottle works fine. When I tried a larger spray bottle with a hose and nozzle it got clogged up easily and I was worried that using it down by the lake someone might think I was using round up or something!!

A real estate advertisement for Tammy & Heath Gurr. The ad features a dark blue header with the website www.gurreathomes.com. Below the header is the Royal LePage logo, which includes the text "ROYAL LePAGE", "Real Estate Professionals", and "Independently Owned and Operated". The main body of the ad is green and white, featuring the names "Tammy & Heath Gurr" in a large, elegant font, followed by the tagline "Your Total Real Estate Package!". Two circular portrait photos of Tammy and Heath are overlaid on the ad. At the bottom, contact information is provided for both agents: Heath at (613)985-2414 and hgurr@rideau.net, and Tammy at (613)583-0616 and tammygurr@rideau.net. The ad also mentions "Buck Lake Residents" and "We specialize in waterfront properties!".

Buck Lake Calendar 2015!

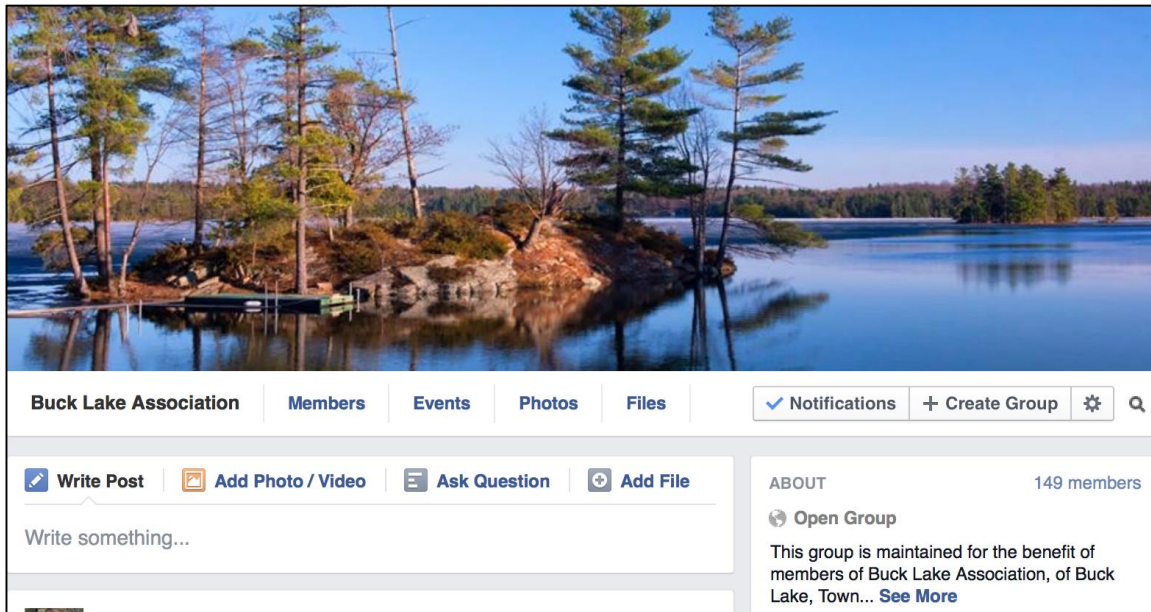

Our first attempt calendar has been an amazing success due to the support of all Buck Lakers. We have learned lots and next year's calendar will be even better.

While you are out there taking pictures in the next few months or just going through your archives, please send us pictures- dneumann@kingston.net

The following is the criteria for the pictures:

1. Please ensure it is an actual size picture. All pictures must be at least 2000 x 2000 pixels to be used in the calendar.
2. Please tell us where the picture was taken so that we can include it on the calendar.
3. Please include your name and email address and phone number so that we can contact you if we need further information about the picture.

Did you know there is a Buck Lake Facebook Group?

This is a great place for sharing pictures and information from around the lake. Anyone can join and post pictures to the group – but you do need to have a Facebook account. Check it out at www.bucklake.ca/fb

In order to promote the spirit of Buck Lake People, we invite your comments and suggestions for newsletter articles or announcements. Mail to: info@bucklake.ca
